Coming Home
(for the BCHS Class of 2011)

Here as I stand before you,
Struggling with words my voice won't speak,
Standing tall yet my knees grow weak…
Through fear I hold on.

Finding hope in your friendship,
Seeing love in your caring eyes
Gives me the strength to realize
The gifts that we share.

I'll hold on to this day,
And the words that we say,
And the silence we make
When the words are failing.
We'll hold on to our dreams,
Not as hard as it seems
If we cherish the thoughts…
Of coming home.

When this is all a mem'ry.
I will look back and see your face,
I will still feel your warm embrace,
And smile in my heart.

Faded and distant mem'ries
Images passing far too fast,
Holding on tight won't make them last
Too long but I'll try.

We'll hold on to this day,
And the words that we say,
And the silence we make
When the words are failing.
We'll hold on to our dreams,
Not as hard as it seems
If we cherish the thoughts…
Of coming home.
