Dear Parents:

We are very excited about using technology to share information with you. We have set up a facebook page for Mary Linsmeier Schools. We are posting articles on growth and development, health and safety and trends in early childhood. We have added activities and projects that you can do at home with your child. **Please visit the Mary Linsmeier Schools facebook page and click the *Like* button to receive posts from our page.**

With your permission, we want to include pictures and videos of activities your child is doing with the other children, and the teachers on the facebook page and on our website. We would also like to send you pictures and links to videos in email messages. To do that we will need an email address that you would like us to use.

We want you to know that **the safety of your child is very important to us.** We continuously monitor our facebook page. We reserve the right to edit or delete any content that is inappropriate to the children, families or staff that may be posted. We will not include any names of the children on our facebook page, website, video hosting site or other medium.

Please complete the permission slip on the back letting us know if we can share photos/videos of your child. Return the form to the director. Include an email address where you would like us to send pictures or video links.

We look forward to sharing your child's activities with you. **Please do not hesitate to contact me if you have any questions.** The best way to reach me is by email at d.linsmeier@marylinsmeierschools.org.

Sincerely,

David Linsmeier
Executive Director
