Sanju Reddy Peddagarla - Elmbrook's 5th Presidential Scholar in Four Years!

We are proud to announce that Brookfield East Senior, Sanju Reddy Peddagarla, has been named a U.S. Presidential Scholar for the state of Wisconsin! Sanju is the fifth Elmbrook student to be named a Presidential Scholar in the last four years, **the most of any School District in the Country during that time period!**

Out of over 5,300 candidates who qualified for the 2020 awards, Sanju was selected as one of two students honored from Wisconsin and one of 161 Presidential Scholars chosen in the United States. Determined by outstanding performance on the College Board SAT and ACT exams, through nominations made by Chief State School Officers, other partner recognition organizations or the National YoungArts Foundation's nationwide YoungArts™ competition, the 56th class of U.S. Presidential Scholars will join the ranks of almost 7,500 of the nation's top-performing students throughout the years.

Invitation to Participate - Reopening Schools Task Force

On Tuesday, May 19, the School District's Board of Education approved the creation of a Reopening Schools Task Force charged to present guidance and recommendations to the Board of Education regarding conditions to open, and requirements to operate, our schools on September 1, 2020.

The task force will consist of parents, staff members, key District partners, representatives from the Board of Education, and our community. Because of the complex challenges in navigating the health and safety of our students and staff, as well as the economic and political pressures to resume operations, the District seeks volunteers with expertise in the fields of healthcare, epidemiology, safe work environments, community health, social and emotional learning, economics, and public service.

If you would like to be considered for membership on the Task Force, please complete [this form](#) indicating your interest.
