

ACT Testing and Test Preparation at BEHS 2019-2020

Taking the ACT at Brookfield East

BEHS is an official ACT test site, giving our students opportunities to take this high-stakes test in a comfortable, familiar environment. Brookfield East will host ACT testing on the following dates during the 2019-2020 school year:

- September 14, 2019
- October 26, 2019
- December 14, 2019
- June 13, 2020

***March 3, 2020 (JUNIORS ONLY!)** All juniors at Brookfield East will be taking the ACT on this date as mandated by the state of Wisconsin. **JUNIORS do not need to sign up for this test**, but must register for any other Saturday national test date. **ONLY Juniors may test on this date. NO Freshmen, Sophomores, or Seniors allowed.** Results from the March 3rd test can be used for college admissions. **

To register for the ACT, visit www.actstudent.org. Registration is done on a first come, first served basis. Students should register early if they want to secure a spot at the Brookfield East testing site.

ACT Preparation/Review at Brookfield East

Again this year, Brookfield East is providing on-site ACT prep/review sessions; these sessions will be taught/facilitated by Brookfield East teachers and are available only to BEHS students (juniors and seniors only). **The cost is \$10 per session (\$30 for all three sessions).** All checks should be made payable to BEHS.

All sessions are three hours long (8:00 – 11:00 a.m.) and occur on the following dates:

- Saturday, October 19, 2019
- Saturday, December 7, 2019
- Saturday, February 1, 2020

On each date, students can choose to attend a Math, English/Reading/Writing, or Science prep session. *Juniors who are planning to take the ACT in June are highly encouraged to attend all three sessions sometime over the course of the year.*

To make the preparation/review sessions as valuable as possible, students are encouraged to do the following before attending:

- Review ACT prep materials in the subject (prep books are available for purchase at bookstores or for check-out from the BEHS library).
- Identify personal strengths/weaknesses.
- Make a list of questions that they hope to have answered during the session.
