BROOKFIELD EAST SPARTAN CHESS PRESENTS: The Elmbrook Cup 2022

The Elmbrook Cup

The Elmbrook Cup is a travelling trophy that is awarded to the top performing Elmbrook elementary school at the annual Spartan Chess Open. This year's Spartan Chess Open is February 12th, 2022.

*Burleigh Elementary ♣ Brookfield Elementary ♣ Dixon Elementary
Swanson Elementary ♣ Tonawanda Elementary*

Elmbrook Cup Scoring System

For each of the Elmbrook elementary schools, the top five player Elmbrook Scores total is the team score. There is no limit to the number of players per school. Players choose to compete in the K-5 Non-Rated or K-8 Rated section, both are five rounds. Here is how to calculate an individual player's Elmbrook Score:

Non-Rated K-5: normal score = Elmbrook Score
USCF Rated K-8 normal score x 1.5 = Elmbrook Score

For example, a school's team score for the Elmbrook Cup could be calculated like this:

Player 1:	5 wins in the K-5 Non-Rated	= 5 x 1	= 5 points
Player 2:	4 wins in the K-5 Non-Rated	= 4 x 1	= 4 points
Player 3:	3.5 wins in the K-5 Non-Rated	= 3.5 x 1	= 3.5 points
Player 4:	3 wins in the K-8 Rated	= 3 x 1.5	= 4.5 points
Player 5:	4 wins in the K-8 Rated	= 4 x 1.5	= 6 points
	TEAM TOTAL		= 23 points
