ACADEMIC ELIGIBILITY STANDARDS

A student must meet school and DPI requirements defining a full-time student and can have received no failing grade (including incompletes) in the most recent grade-reporting period. Incomplete grades are counted as failing grades when determining eligibility. Ineligibility during the first and second reporting periods of each term can be resolved immediately upon receipt of evidence that the student is passing all courses. Ineligibility following the final term grade will result in a 15 day suspension as mandated by the WIAA. Following that period students must show evidence that they are passing all course before they are allowed to compete or perform.

ATTENDANCE

Students are expected to be in school if they plan to participate in after school events. **Any student not in attendance for any part of the school day will not be eligible to participate in after-school activities on the day of contests, games, and performances.** An administrator must approve exceptions in advance. If a student participates despite the attendance requirement, that act will be considered a violation of this code and will result in a category I consequence. Participation in a practice in after school activities when a student is not in attendance for any part of the school day is up to the parent, student athlete and coach to decide based on an individual bases.

CODE OF CONDUCT STANDARDS

Students must refrain from the consumption, sale, purchase, distribution, or possession of any amount of alcoholic beverage, tobacco, or controlled substance, including 'look-alike drugs'.

This code is in effect for 12 months a year throughout the high school career of each student. Students shall refrain from any conduct or act that is in violation of school rules or is generally considered to be immoral or socially unacceptable. Consequences will be administered by the Athletic and Activities Director based on the guidelines outlined in this contract.

CODE OF CONDUCT VIOLATIONS

Category I: Category I violations include behavior that generally results in a suspension (in or out-of-school) or behavior that is contrary to generally recognized moral and ethical standards. These conduct violations include, but are not limited to, the following:

- Suspensions (in or out-of-school)

- Violations of the District Academic Honesty Policy

- Unsportsmanlike conduct as a participant or spectator

Consequences:

- 1st Offense:** Suspension of up to 25% of scheduled performances or competitions
- 2nd Offense:** A consequence of up to 50% of scheduled performances or competitions will be enforced.
- 3rd Offense:** A consequence of up to one calendar year of scheduled performances or competitions

Category II: Category II violations generally include those that could result in legal consequences for students. These include but are not limited to the following:

- Consumption, possession, distribution, or sale of alcohol, tobacco, or other controlled or uncontrolled substances
- Theft
- Vandalism
- Harassment
- Fighting
- Disorderly Conduct
- Use or distribution of performance enhancing supplements

Consequences:

- 1st Offense:** A suspension from 50% of all scheduled performances or competitions unless self-reported within 48 hours of the infraction and they cooperate fully with the investigation. In this case the penalty may be reduced to 25% unless an administrative investigation has already started.

- 2nd Offense:** A suspension from 100% of all scheduled performances or competitions for one season unless self-reported within 48 hours of the infraction and they cooperate fully with the investigation. In this case the penalty may be reduced to 50% unless an administrative investigation was underway when the self-reporting occurred.

- 3rd Offense:** Forfeiture of all co-curricular privileges for one calendar year.

Additional notes

- If a student is assigned a suspension during the season of an activity in which he/she is currently competing, the suspension shall begin immediately in that season. If the term of the suspension extends beyond the end of the current season the suspension will be extended into the next applicable season. (see next bulleted note)
- No suspension will exceed one calendar year.
- The reduction for self reporting is not available for violations that occur during school or school related events.

Consequences for members of Select Groups

Any Category II Activities Code violation will result in the forfeiture of leadership and membership in select groups for one year. A Category I violation may result in the forfeiture of leadership and membership in select groups for one year. A violation also disqualifies a student from eligibility to run for an elected position in any select group during the length of the suspension.

Category III: Any student charged and/or convicted of a felony shall, upon the filing of felony charges, become ineligible for all further participation until the student has paid his/her debt to society and the courts consider the sentence served (including probation, community service, etc.).

EQUIPMENT AND APPAREL

Co-curricular activities are made possible at a significant cost to taxpayers. As such, students are responsible for the care of school-issued equipment and apparel. Students who have not returned or paid for missing equipment will not be allowed to participate in future activities until that account has been cleared with the school administration.
