

ACT Testing and Test Preparation at Brookfield East High School 2017-2018

Taking the ACT at Brookfield East

Again this year, BEHS is an official ACT test site, giving our students opportunities to take this high-stakes test in a comfortable, familiar environment. Brookfield East will host ACT testing on the following dates during the 2017-2018 school year:

- September 9, 2017
- October 28, 2017
- December 9, 2017
- June 9, 2017

To register for the ACT, visit www.actstudent.org. Registration is done on a first come, first served basis. Students should register early if they want to secure a spot at the Brookfield East testing site.

ACT Preparation/Review at Brookfield East

Again this year, Brookfield East is providing on-site ACT prep/review sessions; these sessions will be taught/facilitated by Brookfield East teachers and are available only to BEHS students (juniors and seniors only). **The cost is \$10 per session (\$30 for all three sessions)**. All checks should be made payable to BEHS.

All sessions are three hours long (8:00 – 11:00 a.m.) and occur on the following dates:

- Saturday, October 21, 2017
- Saturday, December 2, 2017
- Saturday, February 3, 2017

On each date, students can choose to attend a math, English/reading/writing, or science prep session. *Juniors who are planning to take the ACT in June are highly encouraged to attend all three sessions sometime over the course of the year.*

So as to make the preparation/review sessions as valuable as possible, students are encouraged to do the following before attending:

- Review ACT prep materials in the subject (prep books are available for purchase at bookstores or for check-out from the BEHS library).
- Identify personal strengths/weaknesses.
- Make a list of questions that they hope to have answered during the session.

Students who register for a math session will be required to complete a pre-test in advance, giving the instructors insight into students' strengths/weaknesses as they fine tune each session.
