

Current Family Enrollment

Welcome, and thank you for your commitment to Elmbrook Schools! We are excited for your child to join the Elmbrook community. This guide will help you get started with our Online Enrollment process, which is very similar to the yearly registration process.

It is best to complete the application from a computer, rather than a phone or a tablet.

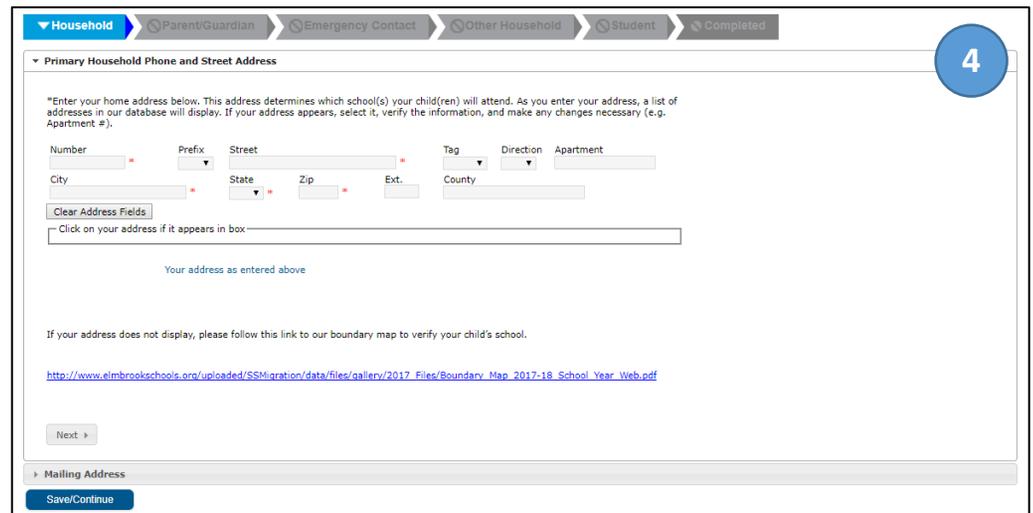

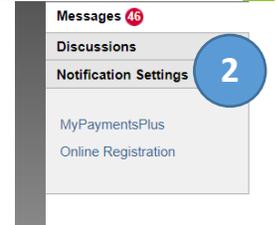

1. Complete the online enrollment application. (Instructions to the right)
2. Bring completed application and proof of residency to the Elmbrook Central Administrative Office, 13780 Hope Street, Brookfield 53005 for residency validation.
3. Middle and high school families will be contacted by your school with information regarding course selection.
5. Bus and fee payment information will be sent by email during the summer.

To help us prepare for the upcoming school year we ask that you complete the enrollment process as soon as you are able. If at any point you have questions or have difficulty completing the process, please call our enrollment support number at 262-781-3030 x1117.
