

Desperately Seeking Parents of Seniors!

2015 Project Graduation Team Needs You!

Project Graduation is an alcohol/drug free party for our seniors on the night of graduation (Sunday, June 15, 2014.) It begins at 9 pm and ends at 3 am the following morning (location to be determined). The BCHS PTO sponsors this event with donations from local businesses and parents.

This is your child's last event at BCHS and we want them to remember it as one of their best parties. Please volunteer your time by choosing one of the following committees. We really do need you! It is less work and more fun for everyone when we have lots of hands. Thank you very much!

Senior Plan Book

*What seniors plan to do after graduation.
Year-end project, some computer work.*
