

THINK LEARN SUCCEED

ELMBROOK
SCHOOLS
School District of Elmbrook

MISSION

We educate and inspire every student to think, to learn, and to succeed.

VISION

The School District of Elmbrook is recognized as a world class school district with an uncompromising commitment to achieve powerful results for all students. Staff, families and the community relentlessly collaborate to develop meaningful connections with every student to ensure success. The culture of the district is built on a commitment to excellence, continuous improvement, and celebrating success.

CORE VALUES

Visionary Leadership: In the School District of Elmbrook, leaders collaborate to fulfill the Mission. Through word and deed, leaders demonstrate and inspire commitment to continuous improvement, increased accountability, and performance excellence.

Organizational and Personal Learning: The School District of Elmbrook is focused on achieving world-class results for students and stakeholders. To that end, resources are allocated for professional development experiences that add value to the system.

Valuing Faculty, Staff, Students, Parents and Partners: The School District of Elmbrook is committed to fostering the knowledge, skill, creativity, and motivation essential to achieving world-class results. To that end, we regularly engage in dialog, shared decision making, and collaboration with staff and stakeholders.

Agility: The School District of Elmbrook is committed to continuous improvement in organizational effectiveness and efficiency. We foster an environment of fast and flexible response to the needs of students and stakeholders.

Societal Responsibility: The School District of Elmbrook shares community values such as courtesy, integrity, responsibility and citizenship. We model these values in our interactions with students, stakeholders, and others.

Systems Perspective: The School District of Elmbrook will utilize planning and processes that are aligned and implemented systematically. Managing by fact, we deploy resources, technology, and innovation to achieve targeted results and fulfill the Mission, both now and in the future.
